GRCCO OBJECTIVES

The objectives of the Golden Retriever Club of Columbus, Ohio, Inc., are three fold. The first objective is education. GRCCO offers many educational services to the public. Golden Retriever only training classes for obedience/rally and field work.

The second objective of the club is to protect and advance the interest of the breed by both encouraging sportsmanlike competition at dog shows, field trials and obedience/rally and, agility and conducting sanctioned matches and specialty shows under the rules of the American Kennel Club and the Golden Retriever Club of America.

The third objective is to have FUN with your golden retriever and to socialize with other golden enthusiasts.
